THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/1999 of 21 June 1999 laying down general provisions on the Structural Funds⁽¹⁾, and in particular Article 15(5) thereof,

After consulting the Committee on the Development and Conversion of Regions, the Committee pursuant to Article 147 of the Treaty, the Committee on Agricultural Structures and Rural Development and the Committee on Structures for Fisheries and Aquaculture,

Whereas:

- (1) Articles 13 and following of Title II of Regulation (EC) No 1260/1999 lay down the procedure for preparing and implementing single programming documents.
- (2) Article 15(1) and (2) of Regulation (EC) No 1260/1999 provides that, after consultation with the partners referred to in Article 8 of the Regulation, the Member State may submit to the Commission a development plan which is treated as a draft Single Programming Document, and which contains the information referred to in Article 16 of the Regulation
- (3) Under Article 15(5) of Regulation (EC) No 1260/1999, on the basis of the regional development plan submitted by the Member State and within the partnership established in accordance with Article 8 of that Regulation, the Commission is to take a decision on the single programming document, in agreement with the Member State concerned and in accordance with the procedures laid down in Articles 48 to 51.
- (4) The Belgian Government submitted to the Commission on 7 December 1999 an acceptable draft Single Programming Document for the province of Hainaut qualifying for transitional support under Objective 1 pursuant to Article 6(1) of Regulation (EC) No 1260/1999. The draft contains the information listed in Article 16 of the Regulation, and in particular a description of the priorities selected and an indication of the financial contribution from the European Regional Development Fund (ERDF), the European Social Fund (ESF), the European Agricultural Guidance and Guarantee Fund (EAGGF), Guidance Section, and the Financial Instrument for Fisheries Guidance (FIFG).
- (5) The date of submission of the draft which was considered acceptable by the Commission constitutes the date from which expenditure under the plan is eligible. Under Article 30 of the Regulation, it is necessary to lay down the final date for the eligibility of expenditure.
- (6) The rural development measures to be financed by the EAGGF are governed, in particular as regards their compatibility and consistency with common agricultural policy measures, by Council Regulation (EC) No 1257/1999 of 17 May 1999 on

support for rural development from the European Agricultural Guidance and Guarantee Fund (EAGGF)⁽¹⁾.

- (7) The single programming document has been drawn up in agreement with the Member State concerned and within the partnership.
- (8) The Commission has satisfied itself that the Single Programming Document is in accordance with the principle of additionality.
- (9) Under Article 10 of Regulation (EC) No 1260/1999, the Commission and the Member State are required to ensure, in a manner consistent with the principle of partnership, coordination between assistance from the Funds and from the EIB and other existing Financial Instruments.
- (10) The EIB has been involved in drawing up the single programming document in accordance with the provisions of Article 15(5) of Regulation (EC) No 1260/1999 and has declared itself prepared to contribute to its implementation with the estimated loan amounts indicated in this Decision and in conformity with its statutory provisions.
- (11) The financial contribution from the Community available over the entire period and its year-by-year breakdown are expressed in euro. The annual breakdown should be consistent with the relevant financial perspective. Under Article 7(7) of Regulation (EC) No 1260/1999, the Community contribution has already been indexed at a rate of 2 % per year. Under Article 7(7) and Article 44(2) of the Regulation, the Community contribution may be reviewed at mid-term, and not later than 31 March 2004, to take account of the effective level of inflation and the allocation of the performance reserve.
- (12) Provision should be made for adapting the financial allocations of the priorities of this single programming document within certain limits to actual requirements reflected by the pattern of implementation on the ground, in agreement with the Member State concerned,

HAS ADOPTED THIS DECISION:

Article 1

The single programming document for Community structural assistance under Objective 1 in the region of Hainaut qualifying for transitional support under Objective 1 in Belgium for the period 1 January 2000 to 31 December 2006 is hereby approved.

The priorities are as follows:
 1. creating growth centres by developing the productive base;
 2. creating growth centres through the knowledge economy;
 3. developing the potential of agriculture, forestry, aquaculture and the countryside;
 4. increasing the attractiveness of the area through restoration and image-promotion;

During implementation of the financing plan, the total cost or Community financing of a given priority may be adjusted in agreement with the Member State by up to 25 % of the total Community contribution to the single programming document throughout the programme period, up to a maximum of EUR 60 million, without altering the total Community contribution referred to in paragraph 1.

Article 4

This Decision is without prejudice to the Commission's position on aid schemes falling within Article 87(1) of the Treaty that are included in

this assistance and which it has not yet approved. Submission of the application for assistance, the programme complement or a request for payment by the Member State does not replace the notification required by Article 88(3) of the Treaty.

Community financing of state aid falling within Article 87(1) of the Treaty, granted under aid schemes or in individual cases, requires prior approval by the Commission under Article 88 of the Treaty, except where the aid falls under the *de minimis* rule or is exempted under an exemption regulation adopted by the Commission under Council Regulation (EC) No 994/98 of 7 May 1998 on the application of Articles 87 and 88 to certain categories of horizontal State aid⁽¹⁾. In the absence of such exemption or approval, aid is illegal and subject to the consequences set out in the procedural regulation for State aid, and its part-financing would be treated as an irregularity within the meaning of Articles 38 and 39 of Regulation (EC) No 1260/1999. Consequently, the Commission will not accept requests for interim and final payments under Article 32 of the Regulation for measures being part-financed with new or altered aid, as defined in the procedural regulation for State aid, granted under aid schemes or in individual cases, until such aid has been notified to and formally approved by the Commission.

Consequently, the Commission will not accept requests for interim and final payments under Article 32 of the Regulation for measures being part-financed with new or altered aid, as defined in the procedural regulation for State aid, granted under aid schemes or in individual cases, until such aid has been notified to and formally approved by the Commission.

By way of derogation from the preceding paragraphs, Articles 51 and 52 of Regulation (EC) No 1257/1999 shall apply in the context of rural development part-financed by the EAGGF.

Article 5

The date from which expenditure shall be eligible is 7 December 1999. The closing date for the eligibility of expenditure shall be 31 December 2008. This date is extended to 30 April 2009 for expenditure incurred by bodies granting assistance under Article 9(1) of Regulation (EC) No 1260/1999.

Article 6

This Decision is addressed to the Kingdom of Belgium.
