## COMMISSION DECISION

of 14 August 2008

**on a temporary derogation from the rules of origin laid down in Annex II to Council Regulation (EC) No 1528/2007 to take account of the special situation of Seychelles with regard to preserved tuna**

*(notified under document number C(2008) 4344)*

(2008/691/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1528/2007 of 20 December 2007 applying the arrangements for goods originating in certain States which are part of the African, Caribbean and Pacific (ACP) Group of States provided for in agreements establishing, or leading to the establishment of, Economic Partnership Agreements <sup>(1)</sup>, and in particular Article 36(4) of Annex II thereto,

Whereas:

- (1) On 24 April 2008 Seychelles requested, in accordance with Article 36 of Annex II to Regulation (EC) No 1528/2007, a derogation from the rules of origin set out in that Annex for the period of one year starting from 1 March 2008. The request covers a total annual quantity of 4 000 tonnes of canned tuna of HS Heading 1604. The request is made because catches and supply of originating raw tuna have decreased in the South West Indian Ocean.
- (2) According to the information provided by Seychelles the catches of raw tuna in 2007 were very low even compared to the normal seasonal variations. The indication for 2008 shows only a slight improvement over 2007 catch levels. This abnormal situation makes it impossible for Seychelles to comply with the rules of origin laid down in Annex II to Regulation (EC) No 1528/2007 during a certain period.
- (3) In order to ensure that Seychelles may continue its exports to the European Community, following the expiration of the ACP-EC Partnership Agreement <sup>(2)</sup>, a new derogation should be granted.
- (4) To ensure smooth transition from the ACP-EC Partnership Agreement to the ESA (Eastern and Southern Africa States)-EU Interim Economic Partnership Agreement a new derogation should be granted with retroactive effect from 1 January 2008.

<sup>(1)</sup> OJ L 348, 31.12.2007, p. 1.

<sup>(2)</sup> OJ L 317, 15.12.2000, p. 3. Agreement as last amended by Decision No 1/2008 of the ACP-EC Council of Ministers (OJ L 171, 1.7.2008, p. 63).

- (5) A temporary derogation from the rules of origin laid down in Annex II to Regulation (EC) No 1528/2007 would not cause serious injury to an established Community industry taking into account the imports concerned, provided that certain conditions relating to quantities, surveillance and duration are respected.
- (6) It is therefore justified to grant temporary derogation under Article 36(1)(a) of Annex II to Regulation (EC) No 1528/2007.
- (7) Seychelles will benefit from an automatic derogation from the rules of origin for canned tuna of HS Heading 1604 pursuant to Article 42(8) of the Origin Protocol attached to the Interim Agreement establishing a framework for an Economic Partnership Agreement between the Eastern and Southern Africa States, on the one part, and the European Community and its Member States, on the other part (ESA-EU Interim Partnership Agreement), when that Agreement enters into force or is provisionally applied.
- (8) In accordance with Article 4(2) of Regulation (EC) No 1528/2007 the rules of origin set out in Annex II to that Regulation and the derogations from them are to be superseded by the rules of the ESA-EU Interim Partnership Agreement, the entry into force or provisional application of which is expected to take place in 2008. The derogation therefore should not be granted for the requested period going beyond the end of 2008 but should be granted for the period from 1 January to 31 December 2008.
- (9) In accordance with Article 42(8) of the Origin Protocol attached to the ESA-EU Interim Partnership Agreement, the automatic derogation from the rules of origin is limited to an annual quota of 8 000 tonnes of canned tuna for the countries having initialled the ESA-EU Interim Partnership Agreement (Comoros, Mauritius, Madagascar, Seychelles and Zimbabwe). Mauritius has already lodged an official request for a temporary derogation in accordance with Article 36 of Annex II to Regulation (EC) No 1528/2007 and other countries of the ESA region, notably Madagascar are expected to do the same. It would be inappropriate to grant derogations under Article 36 of Annex II to Regulation (EC) No 1528/2007 which exceed the annual quota for canned tuna granted to the ESA region under the ESA-EU Interim Partnership Agreement. The derogation therefore should not be granted for the requested quantities, but should be granted for 3 000 tonnes of preserved tuna.
- (10) Accordingly a derogation should be granted to Seychelles in respect of 3 000 tonnes of preserved tuna for a period from 1 January until 31 December 2008.

- (11) Commission Regulation (EEC) No 2454/93 of 2 July 1993 laying down provisions for the implementation of Council Regulation (EEC) No 2913/92 establishing the Community Customs Code <sup>(1)</sup> lays down rules relating to the management of tariff quotas. In order to ensure efficient management carried out in close cooperation between the authorities of Seychelles, the customs authorities of the Community and the Commission, those rules should apply *mutatis mutandis* to the quantities imported under the derogation granted by this Decision.
- (12) In order to allow more efficient monitoring of the operation of the derogation, the authorities of Seychelles should communicate regularly to the Commission details of the EUR.1 movement certificates issued.
- (13) The measures provided for in this Decision are in accordance with the opinion of the Customs Code Committee,

HAS ADOPTED THIS DECISION:
